A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken.

~ James Dent

SUMMER IS A GREAT TIME TO GET YOUR HEAT PUMP CLEANED For just \$99.00

Your heat pump should have a clean and maintenance check every 12 months. Having this done now ensures a warmer, dryer winter. Heat pumps run more efficiently and save you money when they are clean.

For hassle-free, professional service and clean phone Saxons today to arrange a service.

WASHING MACHINE MAGIC

Only **\$25.45**

Washing Machine Magic is a product that has been specifically formulated to **clean, improve the efficiency, and prolong the life of top load washing machines.** Industrial strength formulation, but at the same time is biodegradable and safe for septic systems

BRING YOUR HOME APPLIANCE IN FOR SERVICING

Bringing your home appliance, even a washer, dryer or fridge, into our workshop can save you money and time. We have a large, fully equipped workshop that can quickly assess and repair your appliances. For a small assessment fee (which is taken off the final cost of repairs) we are able to tell you the price of repairs.

It is a small price to pay for your peace of mind.

Do not just throw away that old appliance and add to landfill.

NOTE: At Saxon Appliances we attempt to salvage and recover metal etc for recycling wherever possible when we are advised to "dump" a unit.

SPARE PARTS

If it's available in New Zealand then we can get it in for you.

When ordering parts please have both the appliance **MAKE & MODEL NUMBER**

383 Wilsons Road Christchurch - Phone: 365 6404 Fax: 365 6792
